CHE Training Center Update

Just in case you haven't heard the news, God has been tremendously gracious and providential in supplying all the funds needed for the land purchase of the future site of the new Global CHE Enterprises Training Center in Guatemala! God is good indeed! Special thanks to the generous donors from around the world who have planted seed in this vision to train up future leaders for the Kingdom. Dr. Gomez was able to complete the final land payment in March, and we are now looking forward to developing the property and beginning construction of the training center.

Short Term Teams from Muscatine, IA and Modesto, CA

Dr. Gomez hosted Short term teams from Muscatine, Iowa and Modesto, CA, came and served in different regions of Guatemala earlier this year. Praise the Lord for their help and service! Teams worked on construction projects and conducted children's ministry, dental and medical clinics, plus gave haircuts to local villagers.

GCE Founders Meeting, March 9-10, 2010

Dr. Gomez met with 37 key GCE leaders from across Central and Latin America recently to begin setting short and long-term goals for the next five years of GCE ministry in this region of the world.

They praised God for all He has done through Global CHE Enterprises. In developing a “Wall of Wonder”, which is a graphic representation of the GCE Story, those present at the meeting were reminded of all the wonderful things God has done through the ministry up to this point. Dr. Gomez and the leaders then began to develop a new mission statement, and they prayed and discussed how GCE can be used to

expand the Lord’s Kingdom into every corner of the world. In addition, they laid out plans of how GCE can strengthen its existing areas of ministry.

The GCE “Wall of Wonder” tells the GCE Story. Leaders then prayed for a vision of how they can expand Gods Kingdom into every corner of the world!

GCE Internship and Regional Council Meeting

The 4th GCE Latin America Internship Training was held in February and March in Nicaragua. Dr. Gomez met with 12 Interns from various GCE Ministry Regions. Interns were hosted by local GCE teams as they were being equipped and trained to become Facilitators and Coordinators to bring the Good News of the Gospel to their home regions.

After the adjournment of the Internship Training meeting, the GCE Latin American Regional Council Meeting was held. This was truly a special time of fellowship, refreshing, and worship for Latin America GCE Coordinators.
